would like to skype on project where students design the next NASA explore vehicle. legos, logopatches, keynote projects, and more! #6thchat

24-Jun-11 00:23 | LLacrosse

@treadinger Not sure how many "hoops" are involved in ur situation, but I'm thinking using Skype in2 ur classrm would B worth it! #6thchat

24-Jun-11 00:23 | SARAallen91

@treadinger I understand what you mean. I got permission from admin, but I still had 2 get separate permission slips. #6thchat

24-Jun-11 00:22 | SARAallen91

Would love to find a good wireless mike. #6thchat

24-Jun-11 00:22 | engagereaders

@mrsd5107 Neat projects! #6thchat

24-Jun-11 00:21 | Elle_Gifted

#6thchat I'd like to let kids Skype in, but admin is making me jump through lots of hoops. Wonder if it's worth the hassle.

24-Jun-11 00:21 | treadinger

@saraallen91 #6thchat we tried an external, then switched to the computer...better. going to swipe a nice one from music dept next year. ha

24-Jun-11 00:21 | LLacrosse

I've used some of these great projects @ <http://www.k12science.org/currichome.html> but would love to do it with Skype. #6thchat

24-Jun-11 00:20 | mrsd5107

Ditto RT @Elle_Gifted: @SARAallen91 I got permission from principal but not from parents. #6thchat

24-Jun-11 00:20 | LLacrosse

@SARAallen91 I got permission from principal but not from parents. #6thchat

24-Jun-11 00:19 | Elle_Gifted

@SARAallen91 Sometimes a school has a form that is filled out on admission that includes photos, videos, etc. Would that work? #6thchat

24-Jun-11 00:19 | Amy_Teaches

#6thchat Any1 have absent students Skype into your class?

24-Jun-11 00:19 | treadinger

We did have problems with audio. I have a Mac and didn't have a good mike. Author said she had feedback on her end. #6thchat

24-Jun-11 00:18 | engagereaders

Sometimes it is hard for me to hear the students answers. Many times they have to come up to computer to hear them #6thchat

24-Jun-11 00:18 | cybraryman1

@Elle_Gifted Slow connection would definitely make Skype challenging. #6thchat
